Share your experience:

cal vintage repaired our roof in 2017 - a couple of small leaks. My experience with the office and repair service was very good. When we decided to re-roof this year, we considered two other roofers but were very impressed with Matt's information and thorough communication about Cal Vintage, its services and history, and our re-roofing options. The crew was prompt, hardworking and professional (even on a couple of seriously hot days) and the supervisor Martin was likewise helpful and prompt in overseeing the work and dealing with the inspection. We will gladly recommend Cal Vintage to others! Thank you all
